

To whom it may concern

My name is _____. This letter aims to recommend Azamat Rashidov for D-10 visa approval. I have known Azamat 1 year and during this period I have found him as an active and outgoing individual which is quite beneficial in learning and working environment as a whole. He participated in a number of volunteering activities. Such as, he served as regional representative in Kangwon province of Uzbek student association of South Korea. Apart from that, he was always cheerfully engaged in sports and cultural pursuit arranged by Uzbekistan Embassy. During these projects I have seen him comfortable at both on group works and on the individual tasks as well. His accepting nature and openness to feedback mean he is always learning and growing as a learner. I believe that he has an impressive strength that will continue to serve him well in further career and beyond.

In short, Azamat has the ability to grasp new concepts with ease, as I have seen him showing potentialities in extra-curriculum activities and group projects. His openness to multicultural settings would enable him to take full advantage of facilities available there. I strongly recommend him and will appreciate your assistance in his application.
